The honor of winning a Special Prize is considered nearly as great as winning the Capital Prize. All subscriptions turned in on this offer will also count toward the regular prizes.

The Contest Manager is pleased to announce that he has secured four extra prizes to be given to the contestants in the Interior Journal's big popularity contest. The prizes consist of two beautiful 26-piece Silver Table Sets and two fine \$7 H. B. Smith Fountain pens. These handsome prizes are now on display at Penny's Drug Store and the contestants and their friends are invited to call and inspect them.

The Silver Sets were made by the International Silver Company and contain 26 pieces, consisting of six knives, six forks, six table spoons, six tea spoons, sugar spoon and butter knife. The Pens are the famous H. B. Smith Fountain pens and are sold all over the world.

Here is the Plan

One 26-Piece Silver Set will be given to the contestant residing in District No. 1 who turns in the most money on subscriptions between the dates of May 25th and June 10th.

One H. B. Smith Fountain Pen will be given to the contestant residing in District No. 1 who turns in the second largest amount of money on subscriptions between the above mentioned dates.

One 26-Piece Silver Set will be given to the contestant residing in District No. 2 who turns in the largest amount of money on subscriptions between the dates of May 25th and June 10th.

One H. B. Smith Fountain Pen will be given to the contestant residing in District No. 2 who turns in the second largest amount of money on subscriptions between the above mentioned dates.

Double votes are being given on all subscriptions turned in before 9 P. M. In order that contestants living at a distance from the office may have the same chance as those living near town, we will issue votes under this offer on subscriptions sent by mail, if the envelope is postmarked not later than 9 o'clock Saturday night. After next Saturday night, the vote schedule will again be reduced to the usual schedule of votes given when the contest first started.

All contestants have the same opportunity on the special prize offer. Even those who have done no work at all heretofore or who are about to start in the race, may get in now and have the same chance of winning as those who have been in the contest from the first.

All subscriptions turned in during this special prize offer will also count toward the regular prizes. Votes are allowed on all money paid on subscription, whether it be on old or new subscriptions. Get busy and win one of the special prizes, for the honor of winning these is nearly as great as that of winning the capital prize at the close of the contest.

JOSEPH L. GOODE

It was a splendid tribute of confidence and endorsement that the democrats of Kentucky chose Governor McCreary and his friends in the county conventions held last Saturday. The Governor will be chosen chairman of the state convention tomorrow, and his friends will be on to all down the line. The Louisville papers are making an awful "holler" but just watch the outcome. Of course, the democrats of Lincoln were in line for McCreary. Eight congressional districts out of eleven will be controlled by the friends of the Governor.

Ed Leigh in his Bowling Green Messenger chides the country newspapers for their fight on Watterson, and says "if he had lived in a country where kings ruled he would long since have been knighted as a leader of his kind." As the B. G. Messenger is the recognized mouthpiece of the whisky ring and the bolters and mugwumps of Warren county, such praise is easily understood. But it hasn't been so long since we heard this self-same editor calling the man he is now worshipping every kind of a

remarkable change of heart. As we see him, Watterson hasn't changed a particle since the time when he bolted Beckham, the democratic party's nominee for Senator, and used every means at his command to defeat him.

Complete returns from the primary in Ohio show that Roosevelt got 34 delegates and Taft only 8. This was the worst blow that the president has yet received in his campaign for renomination. Gov. Harmon had some trouble in getting a majority of the delegates over Woodrow Wilson and the latter will have some representation from the Buckeye State.

Announces for Assessor
J. H. Boone one of the best known democrats in the southern part of the county, in this issue, announces as a candidate for the democratic nomination for assessor of Lincoln county. Mr. Boone says that he has voted and worked for the party nominees all his life but that he does not feel that the party owes him a thing, and that it is not upon any such grounds that he is asking for this nomination. His friends say he will have a strong following for the honor he seeks.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by G. L. Penny.

Rev. Alfred C. Graves, Pastor of the Baptist church at Lebanon died at his home there last week. He was born in 1838. He is survived by two sons, George Graves, of Chicago, and Alfred Graves, of Monticello. The Cumberland Telephone Company has extended its lines to Jackson, Whitesburg and other remote mountain towns.

QUEEN OF ACTRESSES PRAISES PE-RU-NA.

"I am glad to write my endorsement of the great remedy, Peru-na. I do so most heartily."—Julia Marlowe. Any remedy that benefits digestion strengthens the nerves. The nerve centers require nutrition. If the digestion is impaired, the nerve centers become anemic, and nervous debility is the result.

Lancaster.

W. H. Wherritt, one of the oldest and most highly revered citizens of Lancaster, was found dead in bed at an early hour last Thursday morning. The death of Mr. Wherritt removes one of the most historic characters of this city, he having been a continuous resident since 1850 having been prominent in local affairs and having filled several municipal and civic offices. He removed here from Richmond, being a native of the Madison capital. He would have been 87 years of age had he lived to November the 1st.

Mr. Wherritt was one of the most prominent Presbyterians of Central Kentucky, having become a communicant at the age of 13; having been made a deacon in the Lancaster church in 1850, and having served continuously as an elder of the local membership since 1852.

He also served four times as Commissioner to the Presbyterian General Assembly, his last attendance being at the session held at St. Louis. He leaves a wife who has been his constant companion and devoted help-mate for more than 60 years, their golden wedding celebration held about a decade ago having evidenced the great popularity of the beloved couple by the many hand-some gifts of which they were the happy recipients.

He also leaves a son, W. C. Wherritt, and two daughters, Mrs. W. H. Bogle and Mrs. Kate Berkle, all of New Orleans, two brothers, Robert Wherritt, of Cincinnati and T. P. Wherritt, of this city, and three sisters, Mrs. Martha Haley, of Richmond, Mrs. Martha Gilman and Miss Lizzie Wherritt, of New Orleans.

The funeral service was conducted by Rev. C. C. Brown at the Presbyterian church Saturday afternoon and the interment accompanied with fraternal ceremonies followed in the Lancaster cemetery.

Mrs. R. E. McRoberts, gave a handsome reception for Mrs. John Mount's guests, Mrs. Nicholas Patrick, of Jacksonville, Florida.

Roy Spiver and Miss Ada Vanderpool, of Mt. Vernon this county, were united in marriage, the Rev. J. W. Mahan officiating.

Miss Amanda Anderson gave an elaborate course dinner the honor being Mrs. Lee Hughes of Millstead, Ga. A number of other social functions, were given Mrs. Hughes while on a visit to her "Old Kentucky Home."

Horace L. Walker, a student of the Jefferson Law School in Louisville was awarded a medal for the excellent work, the class numbering

35 students.

Miss Annie Margaret Elkin entertained at a chafing dish party at her pretty country home "The Maples."

Mr. and Mrs. E. C. Bernard, of Washington, D. C. are guests of Mrs. Pattie D. Gill. Dr. and Mrs. H. S. Price of Stanford, were with Mr. and Mrs. Ed Price Friday. Miss Helen Patterson has returned from a visit to Williamsburg.

Messrs. Adolph and Arthur Joseph are at home after a business stay in Cincinnati. Mr. and Mrs. Raymond Haselden and little daughters and Mrs. B. F. Walters formed a motoring party that visited in the Falls City recently. Miss Mayme Stormes is in Stanford visiting Miss Birdie McClure. Mrs. Fountain Rice and son, of Richmond have been visiting the Misses Francis. J. E. Dickerson spent several days in Lexington on business. Mrs. Lee Hughes has returned to her home in Millstead, Ga., after a visit to her mother Mrs. Dollie Brown. Miss Meddie Hamilton, Field Secretary of the National Chautauqua is the guest of Mrs. Fred P. Frisbie. Mrs. W. S. Elkin, of Atlanta is here for a visit to Lancaster relatives.

E. B. Markshury bought the residence and four acres of ground of Silas W. Moss on the new Danville pike, one mile of town for \$5,500. Mr. Moss and family will move to the Owsley farm in a little further out of town and he will still engage in the dairy business.

Mrs. Louisa Arnold who is now with her son Joseph Arnold of Richmond is reported dangerously ill and relatives are very apprehensive about her recovery.

At a meeting of the state association of railway surgeons held in the city of Lexington a number of interesting papers were read one of note was by Dr. James B. Kinnaird of this city on "Perone Phricite Abcess." Dr. Kinnaird was re-elected Secretary of the Association. The next meeting will be in Frankfort.

Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her

bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy checked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. H. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists.

WOMAN SICK TWELVE YEARS

Wants Other Women to Know How She Was Finally Restored to Health.

Louisiana, Mo.:—"I think a woman naturally dislikes to make her troubles known to the public, but complete restoration to health means so much to me that I cannot keep from telling mine for the sake of other suffering women. "I had been sick about twelve years, and had eleven doctors. I had dragging down pains, pains at monthly periods, bilious spells, and was getting worse all the time. I would hardly get over one spell when I would be sick again. No tongue can tell what I suffered from cramps, and at times I could hardly walk. The doctors said I might die at one of those times, but I took Lydia E. Pinkham's Vegetable Compound and got better right away. Your valuable medicine is worth more than mountains of gold to suffering women."—Mrs. BERTHA MUFF, 503 N. 4th Street, Louisiana, Mo.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

STOMACH TROUBLES

Cured By Vinol—Here is Proof Seymour, Ind.—"I was troubled with a chronic stomach trouble, and five weeks ago it got so bad I had to give up work. I had tried various medicines without relief, and was finally induced to try Vinol. After taking the first bottle I was greatly benefited.

Am now on the third bottle and ready to resume work. Am rapidly gaining in weight and strength." Edw. Nieman.

It is the curative medicinal elements of the code livers, combined with the strengthening properties of tonic iron contained in Vinol which makes it so successful in restoring perfect digestion and at the same time it builds up the tired, overworked and run-down system.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

Mr. Carter has been out in Texas for about a year since his sale in the McCormack's section, but has found that there is no place like old Kentucky, and his many friends will cordially welcome him back. He will maintain the splendid reputation this establishment has had for furnishing high class rigs.

The foolish way and the wise way of saving money

There are two ways of saving your money—the foolish way and the wise way. The foolish way is to put it where fire, theft or other calamity can take it from you in a second. The wise way is to put it in a bank of good standing like ours, where it is taken care of in fire and burglar proof vaults. Follow the example of the best business men and farmers in this district—start an account here at once—it is also the straightest road to success and wealth.
